## COURT RULES

That a Widow with Only Dower Interest Can Not Sell Land.

A widow having only a claim to dower in land, title to which has passed to infant heirs, cannot have the land sold, either on the ground of insufficient personal assets to pay the debts of the estate, or on the ground that the interest of the infant heirs will be promoted by a sale, finds Judge Williams, of the supreme court in the syllabus of the court's opinion reversing the circuit court of Randolph county, in the case of Conrad, executor, etc., against Crouch and others.

The syllabus says further that a suit brought by a widow against the heirs for assignment of dower in lands of which the ancestor died seized, is not converted into a general creditor's suit against the estate by a decree referring the cause to a commissioner with directions to convene the creditors and ascertain the debts of the estate. A widow, having only a dower claim on land, cannot bring a suit on behalf of creditors of an estate.

A sale of the lands of infant heirs made in such proceedings, either for the purpose of paying the debts of the estate, or on the ground that the interest of the infants will be thereby promoted, is void for want of jurisdiction.

## CERTAINLY ENDS STOMACH MISERY

Indigestion, Gas, Heartburn or Dyspepsia Go in Five Minutes.

You can eat anything your stomach craves without fear of indigestion or dyspepsia, or that your food will ferment or sour on your stomach, if you will take a little Diapepsin occasionally.

Your meals will taste good, and anything you eat will be digested; nothing can ferment or turn into acid or poison or stomach gas, which causes Belching, Dizziness, a feeling of fullness after eating, Nausea, Indigestion (like a lump of lead in stomach), Bloating, Heartburn, Water Brash, Pain in stomach and intestines or other symptoms.

Headaches from the stomach are absolutely unknown where this effective remedy is used. Diapepsin really does all the work of a healthy stomach. It digests your meals when your stomach can't. A single dose will digest all the food you eat and leave nothing to ferment or sour and upset the stomach.

Get a large 50-cent case of Pape's Diapepsin from your druggist and start taking now, and in a little while you will actually brag about your healthy, strong stomach, for you then can eat anything and everything you want without the slightest discomfort or misery, and every particle of impurity and Gas that is in your stomach and intestines is going to be carried away without the use of laxatives or any other assistance.

Should you at this moment be suffering from indigestion or any stomach disorder, you can get relief within five minutes.

## Laxative Sent Free to Try

It may be taken for granted that there is no family of any size that goes very long without needing a laxative. If you don't know of a good laxative, or the laxative you are using is losing its effect, we want to call your attention to Dr. Caldwell's Syrup Pepsin, which thousands of families are using successfully.

We have scores of letters from mothers and scores from prominent men saying they are using it personally and giving it to their families, men like Mr. C. K. Smith of the Traffic Clearing House, St. Louis, Mo., and Mr. George B. Turner, a lawyer of Harlan, Ky. The thousands of mothers who use it themselves and give it to their children would take too much space to mention. The reason they prefer Syrup Pepsin is that it is a mild, gentle laxative, one that does not grip, effective and yet so mild that babies can take it. Its tonic ingredients invigorate the body and strengthen the stomach and bowels naturally. That they again do their work naturally. If you have been a victim of salt pills and strong cathartics you will discard them when you once use Syrup Pepsin.

You can buy a fifty cent or one dollar bottle of any druggist, but before doing so you may want to try it free. If so, send your address to Dr. Caldwell and he will promptly forward a free sample bottle. Then, being convinced as others are doing and buy it in the regular way of your favorite druggist.

Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample address him, Dr. W. E. Caldwell, 14 Caldwell building, Monticello, Ill.
